

THE LUXE LOOKOUT

Photos were taken in May 2024

Tucked away in a serene, hidden corner of Miami, this striking white two-story estate—with a rare third-story observatory—offers an extraordinary setting where no film permits are required. The one-of-a-kind observatory opens fully to reveal sweeping views of the night sky, creating a truly cinematic backdrop. Inside, the main home features a brand-new luxury kitchen that flows effortlessly into a spacious open floor plan, blending a casual dining area and an inviting family room with cozy sofas and a large TV. The oversized master suite is a peaceful retreat, complete with private balconies that overlook the lush backyard and sparkling pool. Adding to the allure is a detached, two-story guest home featuring two bedrooms, two bathrooms, a stylish kitchenette, and a private gym—providing versatile space ideal for film industry productions. This unique property offers the perfect blend of elegance, functionality, and creative inspiration, all without the need for film permits.
