

SETREADY/MIAMI | MIAMI

Pictures Taken 8/2024

Located in the heart of South Florida, this pristine and modern family-style home offers the ideal backdrop for film production, boasting spacious open-concept living areas, stunning natural light, and an elegant yet minimalistic design. Whether you're filming indoors or outdoors, this newer construction provides a clean, versatile canvas for all your creative needs.

Key Features:

- **Open Living, Kitchen, and Dining Area:** The expansive open-concept design features a seamless flow between the kitchen, dining, and living spaces. Large glass doors and windows throughout bring the outdoors in, flooding the home with natural light and offering beautiful views.
- **Stylish Entertaining Spaces:** The spacious backyard offers a covered living area perfect for entertaining. With ample space for your crew and equipment, it's an excellent space for outdoor scenes or as a comfortable break area.
- **Modern and Minimalist Design:** This newer home is designed with sleek, clean lines, white walls, and a fresh, contemporary aesthetic. The minimalist approach brings both charm and sophistication, creating a versatile atmosphere ideal for a variety of film settings.
- **3 Bedrooms:** Featuring three generous bedrooms, the home offers ample space for your cast and crew, with easy transitions between rooms for a smooth filming process.
- **Outdoor Space:** A beautiful patio area at the back, complemented by a side yard, enhances the property's potential for diverse shooting angles and outdoor setups.
- **No Permit Required:** The property is easy to work with for film productions, requiring no additional permits, and is flexible with shooting hours.
- **Neighbor-Friendly:** With understanding neighbors, you'll experience minimal disruption and a smooth filming process, ensuring a positive environment for your production team.

This home is a must-see for anyone seeking a clean, bright, and spacious property with a

functional layout perfect for film production. Contact us today to schedule a tour and explore how this property can bring your vision to life!
