

VILLA SERENA

Pictures taken in 8/2024

The Villa Serena is a true gem. One of a Kind. 1920's Adobe home with all the warm charm you would want and more. Villa Serena is such a unique property. Beginning with the U Shape home. Dark Wood Vaulted Ceilings greet you along with the original doors out to the serene courtyard. Terri cotta tiles in some parts just add another layer of character and warmth that is not so easy to find these days.

On the other side of the courtyard are adobe details and steps leading up to a great place ofr Video Village, Hair /Make-up & Wardrobe.

The home owners are super fun and easy to work with.
