

## THE SECRET GARDEN HOUSE/GROVE | COCONUT GROVE

Pictures were taken late Nov.2024

“A hidden gem in the heart of Miami, this rare Key West-style home is a dream filming location, offering vintage charm, lush privacy, and eclectic character. Tucked behind vibrant greenery, the two-story home features a welcoming front porch, classic wooden siding, and a detached garage apartment. Inside, colorful and cozy interiors blend traditional design with Boho and family-friendly touches, creating a visually rich and inviting atmosphere. A unique rooftop lookout with a spiral staircase adds an unexpected touch, perfect for creative shots. Unlike the typical Miami concrete mansions, this location exudes warmth, personality, and a laid-back energy, made even better by its wonderful homeowners.”
