

BLUE LAGOON | HOMESTAED

Rare South Florida Film Location - Tropical, Private, and One-of-a-Kind

Discover a hidden gem in South Florida—this rare, one-of-a-kind film location is a lush, tropical oasis perfect for high-end productions, boho chic aesthetics, or scenes that transport you straight into the jungle. Behind a private gate, the expansive property features dense greenery, exotic plants, and two unique homes, offering versatile backdrops for TV, film, or commercial shoots.

Whether you're aiming for a *Blue Lagoon*-style vibe, a luxury fashion campaign, or an intimate indie film, this location offers unmatched natural beauty and total seclusion. The vibrant landscape mimics the look and feel of Jamaica's Blue Lagoon, making it ideal for productions seeking an exotic, immersive environment—without leaving South Florida.

Perfect for:

- Jungle-inspired productions
- High-end fashion shoots
- Bohemian and tropical themes
- Music videos, lifestyle content, and more

This tropical paradise is production-ready, offering privacy, size, and visual impact—just waiting to be captured.
