

## BLUE LAGOON | HOMESTAED

Some parts of this property can make one feel like you are in a tropical jungle. This is on a decent sized lot behind an iron gate to help safe guard your production.

Blue Lagoon consists of a fresh water larger in size Lagoon with coral and other types of rocks surrounding it.

There is a few different homes on the location if interested I will be happy to provide you with photos.

The property manager has been in the industry for many, many years so he is no stranger to what all comes with all types of Filming Productions. Stills, Video , Motion or any combo one can think of the Blue Lagoon is set up for a smooth production of all sizes.

## A wide-angle photograph of a lush green park. In the center, a large, leafy tree stands on a small island in a body of water. The water is calm, reflecting the greenery and the sky. The surrounding area is filled with dense foliage, including various trees and bushes. The sky is overcast. In the bottom right corner, the text "MANASITES" is visible.
