

WHITE LOTUS/MIAMI | COCNUT GROVE

Discover the enchanting Bohemian Tropical Sanctuary in the heart of Coconut Grove, where old-world charm meets contemporary elegance. This stunning home boasts large, light-filled spaces with soaring high ceilings, perfect for capturing the essence of any film production. The lush landscaping and unique coral rock touches create a visually striking backdrop that enhances the aesthetic appeal of your project.

Ideal for filmmakers seeking a versatile location, this sanctuary offers both intimate and expansive environments, making it suitable for a variety of scenes, from romantic narratives to vibrant lifestyle shoots. Book your next production at Bohemian Tropical Sanctuary and immerse your audience in a captivating blend of nature and sophistication.
