Mid-Century Modern Waterfront Gem | Iconic Film & Photo Location

Step into a rare, one-of-a-kind Mid-Century Modern masterpiece—an authentic 1950s home preserved with striking architectural details and curated artistic flair. This waterfront property is a dream location for filmmakers, photographers, and content creators seeking a truly unique visual backdrop.

Property Highlights:

- **Original MCM Design:** From sweeping curved walls to the statement textured blue front door, every corner celebrates the timeless charm of classic Mid-Century architecture.
- **Waterfront Setting:** Enjoy unobstructed views across the water, framed by the home's rear curvature that embraces a vintage pool deck, creating natural focal points perfect for capturing depth and drama.
- **Artfully Styled Interiors:** The homeowners are passionate MCM art collectors, with thoughtfully styled interiors that blend elegance with personality—ideal for shoots that need either high-end designer aesthetics or retro-cool energy.
- **Outdoor Appeal:** The lush backyard features a dock, pool, and sculptural landscaping—offering layered outdoor spaces suited for everything from serene luxury to playful, vibrant scenes.

Whether you're shooting a fashion editorial, music video, commercial, or indie film, this property adapts to your creative vision with standout architectural character and cinematic potential at every angle.
