

HONEYCOMB HIDEOUT /MIAMI | COCONUT GROVE

Honeycomb Hideout is from the early 1900's Americana Home in the Grove. Has a great vintage warming vibe with a great Guest house in the back. On a quiet street with close by Church /Other Parking Options. Home owner is super cool and is well seasoned. Has friends in the industry.

Attic with wooden vaulted ceilings . Every where you turn there is another cool thing that is so rare and hard to find in South Florida these days.

This home can easily be scaled down or up.
