

PARK THROUGH THE CITY

Park Through the City is a work in Progress. It's gorgeous and it's one of a kind in Urban Miami -

It consists of 120 Acres - the Multimodal Urban Trail multi miles long . It changes from 70 to 170 Ft in width .

There are so many things to see and do. Some of the fun things are the following :

Butterfly Garden

Exercise Equipment

Basketball

Volleyball

Soccer

Dog Park

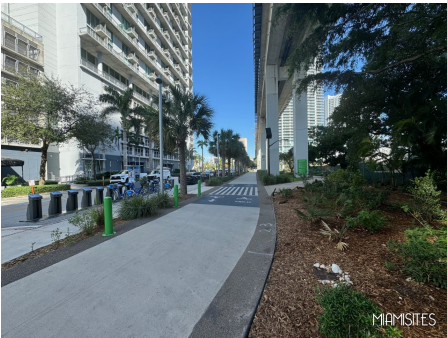

Playgrounds

Colorful accents -

There are great spots with Shade and some with loads of Sun .

The starting point is so close to the Canal Waterfront - With Buildings and Bridges in the background .
