

TROPICAL VILLA IN PINECREST | PINECREST

This great location is located in Pinecrest area.

As of now, the main home does not allow for interiors . There is a detached guest house that would be great for staging , Hair, Makeup , Video Village etc. I was not able to get pictures of it at the time. Pictures were taken in 8/2024.

Big Front Yard for Parking . On slow quiet street.

The pool is super cool with a rock waterfall. mLush Gardens throughout .
